Dear Crew/Member

3B World Championships and RYA British National Finals for 3C and OCR 31 August until 4 September 2011 – new lead Club Organiser

It is with regret ORDA has made the decision to withdraw as the organising Club for the 3B World Championships at the end of August, along with the 3C and OCR National Finals in Torbay, due to circumstances beyond our control.

We know this is will be disappointing news to some crews who have been working on preparing new boats for this event; however, SEPA and OCRDA have agreed to take the event forward and are now working with the venue to keep the event in place.

The new lead organisers will be contacting all crews this week, and we have asked to RYA to communicate with all crews regarding both the 3B World Championships and RYA National Finals with immediate effect.

Yours faithfully

ORDA Secretary
